

IF YOU'RE BUSY WITH DATA MANAGEMENT, YOU'RE NOT SOLVING THE CLIMATE CHANGE PROBLEM. ADEC INNOVATIONS CAN HELP.

ADEC Innovations has scored 21,000+ CDP responses since 2011 and is an expert in both the scoring methodology and in building streamlined corporate sustainability systems using our state-of-the-art software and data collection services.* Better climate management means better performance, plus:

- Cost savings
- Business innovation
- Improved efficiency
- Lower emissions
- Better relationships with customers, investors and other stakeholders.

Our CDP clients consistently increase their CDP scores from year to year. On average, our clients improve their Disclosure Score by over 25%, and go up one Performance Band.

ADEC Innovations offers a number of services to improve your climate strategy as well as your performance. Our services are customized to your needs and include:

-  **Performance Review:** Our consultation will help you interpret your scores and provide valuable feedback.
-  **Scoring Assessments:** ADEC Innovations provides question-level scores and suggestions for improvement before you submit your response.
-  **Data Collection & Analysis:** Our world-class software and data collection systems ensure your data, including Scope 3, is both high quality, and easily interpreted and reported to CDP and other stakeholders.
-  **Supplier Engagement:** Our email and telephone notifications complement CDP's emails, providing early insight into which suppliers are and are not planning to report.
-  **Disclosure Completion:** Many companies look to ADEC Innovations to complete their disclosure to CDP in order to free up internal resources for more strategic work. This process is directed by you and your data, but executed by our expert data analysis and sustainability specialist team.
-  **Science Based Targets:** Join the call to action and let ADEC Innovations help you develop a target consistent with the level of decarbonization to limit global warming.

* In accordance with CDP's conflict of interest policy, ADEC Innovations does not provide official scoring services for any of our CDP consulting clients.
